

Job description and person specification:

SEN Learning Mentor

Your Ideas School is a specialist independent school for children aged 5-11.

We help all children to develop their self-esteem, confidence, resilience and independence, to become inquisitive learners with aspirational attitudes. We place social and emotional well-being at the centre of our school, to provide all children with a nurturing environment in which to thrive. We believe that happy children, who feel safe and secure, are those in the best position to learn. We focus on supporting children to feel physically and psychologically safe first, in order to be ready to re engage with and find a love for learning.

Our curriculum meets children at their developmental stage, rather than their chronological age, and will be tailored to meet their individual needs. Children are celebrated for their unique talents, which are valued and encouraged. Teaching is on a 1-1, 2-1 or very small group basis.
